~~As directed by the D.C's report~~, The Govt
~~have~~ resolved to grant the site prayed for

by M/s N V S. Aradhya - at a cost of Rs 1,680-12 at the rate of annas four per sq yard.

M/s Aradhya ~~took objection~~ did not agree to the rate fixed by the Md el and prayed for the grant of the site at Rs 750/- In the meanwhile one M/s B N Sreekanta Setty of Bangalore applied for the grant of the site at ~~Rs~~ 0-3-0 per sq yd But the Md el ~~have~~ decided to grant the land at 1-3½ per sq yd, as proposed by M/s B N Setty to M/s Aradhya himself, who did not accept to take the land at this rate also

8) Again M/s B N Setty applied to purchase the land at four annas per sq yd, as originally fixed by the Md el The land has not yet been disposed of The D C has referred to the Sanitary Engineer to find out whether the land proposed to be purchased for the construction of a cinema is suitable for the purpose or not The D C is also of opinion that if the Sanitary Engineer applies (his objection to the construction of a cinema at the place the site may be disposed of by public auction

It is seen from the ~~In view of~~ the D C's report M/s Aradhya seems to have created no amount towards the purchase of the site but M/s Aradhya says that he has already created the amount

28/ On the application of one N V S Sastry the Board considered at its meeting held on 21 12 43 sanctioned the grant of 6723 sq yds of land lying behind the bus stand for the construction of a cinema theatre subject to the condition that the building should be constructed within two years & that it should be built according to sanitary rules. He was asked to deposit a sum of Rs 1680 12 at the rate of four annas per sq yd. He however stated that the price was too much & that the site may be granted to him for Rs 750/

29/ In the meanwhile, one one B N Sukanta Rao of Srinivasa applied for the same land on 30 1 44 at an upset price of three annas per sq yd. The Board however decided to give the site to the original applicant at 3 as per sq yd. He deposited the amount of Rs 1260 sq yd accordingly on 17 2 1944.

30/ Although he applied to the President of the Board to give the sale deed & license for the construction of the building no action was taken

31/ On the other hand in the basis of the fake applications received from [illegible]

~~and the instructions of the D.C~~

B N Lukandu ~~called~~ to the Mcl have resolved to sell the said site by auction & a notice was accordingly published in the papers to that effect

32/ Mr V S Wadhya applied to the Mcl against the action of the Mcl further proceedings were accordingly stopped & a detailed report was called for from the D.C

33/ The D.C reported that he inspected the site on 8/12/44 along with the President Vice President & other members and that he has sent the site plan to the Sanitary Engineer for his views as regards the suitability of the land for the construction of the cinema at the place the said site & that in the interests of the town & of the Municipality the previous resolution of the Mcl to grant the land by auction to Mr V S Wadhya might be cancelled The land was sold by auction The Mcl have also resolved on 28/12/44 that the sale money be deposited in the auction & the amount deposited by Mr V S Wadhya refunded to him

34/ The Govt Architect has expressed the view that the site is suitable for the construction of a

it may be allowed subject to certain conditions

35) It is seen from the records that the Tahsildar decided to sell the land to one M V S Sundaram at Rs 30/- per cent and reported to Collector on 17-2-1951 the money was also deposited on 17-2-1951 the Tahsildar took no action in the meantime some one else viz one Lakshmanaswamy who is alleged to be a relative of the municipal President viz Lakshmanaswamy Chetty & Sons at Anantapur has put in an offer to purchase the site at Rs 40 per cent Almost eleven months thereafter the Tahsildar has decided to sell the site to him for the auction why there was such a long delay in deciding the matter is not clear The attitude of the Tahsildar towards the petitioner in M V S Sundaram does not appear to be reasonable at all As the valuation was more than Rs 1000/- the matter was required to be sanctioned by Govt under Sec 38(2) of the Madras Town Planning Act why this was not referred to the Govt also is not clear

36) Points for orders

1) Whether the sale of the land may be confirmed in favour of M V S Sundaram in the circumstances represented by him in his appeal petition

2) whether the records may be returned

48) But in the interests of the Municipality it seems fair to have the site sold in public auction, if Mr Setty agrees to deposit Rs 10,000/= in the Treasury in the name of the Municipality -- This Amount may be taken as the initial bid in the public auction to be held. Mr Setty is an outsider who wishes to create unhealthy competition and deprive local people of their chances to acquire property within Municipal limits. Mr Aradhya may take his chance along with others in the public auction. This is inevitable having regard to the prospects

79) On being asked by the Dewan to examine the legal effect of the Govt order on the rights of the parties to the contract, I have referred to the relevant provisions of the Town Municipalities Act and am of opinion that while the absence of sanction in cases where the amount or value of property involved is more than Rs 1000 affects its enforceability the approval by Govt does not improve upon the claim or increase the liability of the parties. Thus as provided for in Sec 39 of Town Municipalities Act that a person appointed by Govt to carry on works on behalf of a Municipal Council may make contracts necessary for carrying such works, and may by his acts bind the Municipal Council. According to Sec 50 of the Act property of the description contained therein belongs to the Municipal Council unless Govt by means of a notification chooses to reserve any property. It follows therefore that the legal owner of the property is the Municipal Council and Govt may only do anything in its relations to it independently of any other. By a mere accord of sanction by Govt the objection to such a contract is open otherwise cannot be swept away the Municipal Council may elect to act as it deems fit in regard to contracts sought to be enforced against it having regard to its merits

Sir,

Subject:- Re the site for the construction of a Cinema Theatre at Birur Town

---

With reference to your Memo No L 6072 dated 20th December 1944, forwarding a petition dated 20th December '44 presented by Mr M V S Aradhya of Birur and calling for a report on the above subject, I have the honour to state that Mr M V S Aradhya applied to the President, Municipal Council, Birur for the grant of a site measuring 300' X 300' near the bus stand at the place, for the purpose of constructing a cinema Theatre thereon The Managing Committee of the Municipal Council passed a resolution on 26-12-1943 that land measuring 6723 Sq yards behind the bus stand may be granted to the applicant subject to the condition that the building should be completed within two years and that it should be erected according to Sanitary rules Accordingly, he was asked to credit a sum of Rs 1,680-12-0 at the rate of annas four per sq yard On 21-12-43, he complained that the value fixed for the site is too much and that the site may be granted to him for Rs 750/-

2. In the meanwhile, one Mr B N Sreekanta Setty of Arasikere applied for the same land on 30-1-44, for an upset price of annas three per sq yard At its meeting held on the same day, the Municipal Council resolved that this application may be taken up for consideration at the next meeting It however, decided that the site in question may be granted to Mr M V S Aradhya at an upset price of 0-3-0 annas per sq yard but this gentleman did

did not come forward to accept the land at this rate.

3 On 14-2-44, Mr B N Sreekanta Setty of Arsikere applied to this office stating that he was prepared to purchase the site at four annas per sq yard He has addressed the Minister for Local Self Government and Public Health in the matter on 22-10-1944 and a copy of the petition has been sent to me for disposal with your letter No L 3559 dated 7th December 1944

4 I inspected the spot in question on 8-12-44 along with the President, Vice-President and other officers and found that the Theatre building if constructed, will not be parallel to the Bangalore-Honnavar Road In my opinion, the site is also not very suitable for the Cinema Theatre However, I have sent a site plan to the Sanitary Engineer and have requested him to furnish his views in the matter If he has no objection for the construction of a Cinema theatre on the site, it may be disposed of in public auction as it may fetch a sum of Rs 5,000/- at least In the interests of the finances of the Municipality, the previous resolution has to be annulled I recommend that the same may be annulled

The following papers are enclosed for favour of reference -

1 Copy of the resolution of the Managing Committee of the Municipal Council, Birur, dated 26-12-43
2 Copy of the resolution of the Municipal Council dated 30-1-1944
3 Petition dated 12-2-44 from Mr B N Sreekantha Setty, Arsikere
4 Petition dated 12-12-44 from Mr M V S Aradhya, Birur, addressed to the Minister for Local Self Government

OFFICE OF THE SECRETARY FOR L S G & P H Date 8/1/43 No 846

Petitioner -M V S Aradhya Agent Burmah Shell; Birur Kadur District

LAW DEPT 8/1/43 Secy GOVT OF MYSO

COURT FEE EIGHT ANNAS

1) The petitioner is a resident of Birur Town Kadur District The Birur Town is a prospering one affording facilities to its citizens in all directions This town has no facilities for social entertainments which would contribute to the happyness of its citizens

2) The petitioner, with the idea of constructing a decent Cinema Theatre in the Town thus affording social entertainment not only to the town but also to the adjoining villages approached the Town Municipal council on 25/7/42 to grant the site just opposite the Bus stand to construct the cinema theatre, at a reasonable cost Further the petitioner again approached the Council on 19/10/1943 for the grant of the site so that he may construct the theatre for the benefit of the citizens of the town On this application an endorsement was issued to the petitioner on 1/1/44(which is wrongly dated 1/1/43) offering the site in question at 0/4/0 per syd and calling upon the petitioner to deposit Rs 1680/12/0 within three months from this date

3) After the receipt of this endorsement the petitioner again approached the Municipality on 5/1/44 requesting that the rate of 0/4/0 a syd is too much and is prepared to purchase the site at an upset price

of Ps 750/- which would roughly come to 0/2/0 a Syd

4) On this application the Town Municipality at its general meeting held on 30/1/44 after considering the prevailing market rate at that time in that town fixed the rate at 0/3/0 a syd and asked the petitioner to deposit the amount of Rs 1260/9/0 Accordingly the petitioner deposited the amount of Rs 1260/9/0 on 17/2/1944 by receipt No 19 book No 7627

5) After the deposit of money the petitioner in order to construct the building immediately has invested Rs 5000/- for the purchase of materials and all the size stones have been cut and placed on the site in question

6) Till today the Municipality has not executed the necessary documents inspite of repeated requests by the petitioner and further they have not received any endorsement to the applications given by the petitioner on 14/8/44 and 16/9/44 requesting the execution of the deed and the grant of license for its construction

7) Subsequently the petitioner learns that Mr K T Satyanarayana Setty, the present Municipal President Birur has instigated his sister's son B S Sreekanta Setty of Arasikere Town and also one of his close relative C T Channakesavasetty of Birur who is an Insurance agent to apply for the grant of the same site with the ulterior motive of keeping the site for himself Mr B S Sreekanta Setty has asked the grant of the site at 0/4/0 a Syd which shows clearly that the rate given by the petitioner is not low Further if the Government finds that the rate at which the site is given is too low

the petitioner is ready to pay the rate at which the municipality offered the site at first which is also the rate offered by Mr B S Sreekantasetty of Arasikere

8) The petitioner learns that the Deputy Commissioner Kadur District has asked the Town Municipality Birur to put the site in question to public auction on the - erroneous view that it would fetch a very high amount - without considering the fact that it would cause a very heavy loss to the petitioner and also ~~xxxxxx~~ ignoring the fact that everything in this connection has been done by the Municipality according to Rules and practice Further the Town Municipality at its Meeting held on 30th December 44 have decided that the site should be sold by public auction on 25/1/45

9) The petitioner respectfully submits that he has committed himself bonafide to the extent of Rs 5000/- excluding the money paid for the site and prays - that the sale in his favour be confirmed and direct the local authorities to issue the license to the petitioner so that the Town may possess as early as possible a decent Cinema building affording an opportunity for the enjoyment and happiness of the citizens of Birur town and the adjoining villages If the sale is held on that date the petitioner would incur heavy loss and therefore prays that the Government be pleased to stay the sale to be held on that date and call for the connected records and pass favourable orders

The D C Kadamb

Sir,

With reference to the correspondence ending with your letter no A3 C 2766/4 & 13/1/45 forwarding the resolution of the Bombay Municipal Council to purchase the site near the bus stand for the construction of a cinema and to refund the amount taken deposited by M/s V S Bradbyan towards the purchase of the site I am directed to observe that, even after the deposit of the value of the said site by M/s Bradbyan in this respect, as you by the Municipal Council, (The matter) has not been taken away

no steps have been taken by the Municipal Council to complete the transaction

Mrs attitude of the Municipal Council is unreasonable since the Municipality is now prepared to pay at once as soon as the site at may be conveyed to him and a receipt in that behalf is given by him

Before permitting the construction of the Cinema building on the said site the following conditions may also be kept in view

(1) No hospital or Travellers' bungalows located should be situated in the immediate neighbourhood of the cinema which will disturb sleep, otherwise would be disturbed by the noise of the cinema

(2) The proposed municipal road behind the bus stand may be changed and made parallel to the Bangalore - Honnavar road.

(3) The cinema building may be placed as shown in the plan, keeping the whole eastern portion of the compound free from other buildings

HIS HIGHNESS THE MAHA RAJA OF MYSORE,

Submitted through The Private Secretary to His Highness the Maha Raja of Mysore

Sub: Petition regarding the order of The Minister for Local Self Govt sent to The Deputy Commissioner Kadur Dist Chickmaglur through The Law Secretary on 7 6 45 about the sale of a Muncipal site at BIRUR for the Construction of a Permanent Theatre

May it Please Your Highness,

As I came to know that The Birur Muncipality would sell away a site measuring 250*X242* near the B H Road for the Construction of a Cenema Th Theatre, I sent an application on 30 1 44 to the Muncipality to grant me the site at Three Annas a Sq Yard

The Muncipality decided in their meeting on 30 1 44 to grant the site to one Mr M V S Aradhya at Three Annas per Sq Yard though he had not asked at that rate not even considering my application They have recordedin the proceedings book that they would consider my application in the next monthly meeting They did not ever acknowledge my application The resolution was sent to The Deputy Commissioner for approval

After hearing the decision of the muncipality I submitted another application on 12 44 to grant me the site at Four Annas a Sq Yard Even then the muncipality did not consider my application

Mr M V S Aradhya who was offered the site at Three Annas a Sq Yard had not accepted to purchase the same at the offered rate and submitted another application to grant the site at a lower rate After knowing my offer Mr M V S Aradhya deposited Rs 1260 9 0 on 17 2 44 to be kep in suspense as the muncipality had not received the concent of the Deputy Commissioner

The Deputy Commissioner in his Letter No A3P M 160/43-44 Dated 26 2.44 has called for the town improvement Map of Birur to consider the question and to stop disposal of the till they hear from him

Again The Deputy Commissioner in his Letter No A 3 C 2766/44-45 dated 22 12 44 has asked the muncipality to cancel the resolution passed to grant the site to Mr M V S Aradhya at Three Annas a Sq Yard and to arrange for an open auction as it would fetch much more money to the muncipality & in His Letter Dated 11 12 44 has objected the muncipality for having taken the deposit from the party before they heard any definate reply from him

The muncipality in their meeting on 22 12 44have decided to cancel the previous offer at Three Annas a Sq Yard & to arrange for a public auction of the site on 25 1 45 and the same was advertised in all the local papers

The Law Secretary to the Govt of Mysore in his letter No L 6971 Dated 12 1 45 addressed to The Deputy Commissioner called for all the records about the Theatre site & to stay the public auction till they hear from him

Then I sent an application to The Minister for Local Self Govt to consider all the facts and figures and order for an open auction of th site offering Rs 4000/ as my first bid I was not favoured with any endorsement

Then I sent an application to the Deputy Commissioner on 5 3 45 stating that I would purchase the site for Ten Thousand Rupees and grant me the site The Deputy Commissioner sent my application to The Law secretary recommending my application to grant the site and that it would help the financial position of the Birur muncipality

The Law Secretary in his Letter No L 11778 488-44-30 dated 7 6 45 addressed to The deputy Commissioner has directed the Muncipality to grant the site to Mr M V S Aradhya at Four Annas a Sq Yard not considering all my applications

So in view of all these facts I beg to humbly submit that proper Justic is not done to me & unfortunately The Muncipality has also lost a heavy sum & So I humbly request your Highness to direct Your Govt to reconsider the order passed in the matter and to assue a telegrafic Stayorde pending decision

Sir,

With reference to your No M 3 C 458/44-45 dated 22nd June 1945 regarding my remarks on the revised designs for the above, I have the honour to return your file with the objection that the so called revised plan practically identical with the previous drawing and has not been corrected in accordance with the observations made in Law Secretary's letter No L 9551-M1-187-44-4 dated 23-3-1945

Sir

I beg to forward herewith for kind perusal a copy of letter No H C 78/44-45 dated 12th July 1945 from the President Town Municipal Council Birur and to state as follows -

The Town Municipal Council Birur at one time proposed to give away at three annas per square yard a certain valuable site to one Mr Aradhya for the construction of a Cinema though there were better offers for the same As certain merchants of Arsikere offered to take up the same land for a very much higher price I suggested to the Municipal Council to dispose of the land in public auction In my letter No A3 C 2766/44-45 dated 28th December 1944 to the Secretary to the Government of Mysore Law Department I recommended for the disposal of the site in public auction But as per Government Order No L 11778 Ml 80-44-90 dated 7th June 1945 it is ordered that the site should be sold to Mr Aradhya at four anna per square yard though Mr Aradhya was not prepared to purchase the land at Rs 0-4-0 per square yard and wanted it for less

In this connection it may be stated that the financial condition of Birur Town Municipal Council is very bad as it has very heavy commitments to meet The normal income is bearly sufficient to meet the normal expenditure as more than 30 to 40% of the income goes towards the maintenance of the Municipal High School The town as you are aware has no drainage no protected water supply no good roads and none of the amenities which the ratepayers normally expect It is possible, that if the Government order is not revised for Mr Aradhya to sell away the land for a handsome profit I feel that such profit that Mr Aradhya may make should go to the Municipality, so that can provide necessary amenities to the ratepayers In view of the fact that the aforesaid Government Order will affect the finances of the Municipal Council very badly and especially as the Municipal Council has budgetted in the hope that the Government would sanction the disposal of the site by public auction and taking into consideration the attitude of Mr Aradhya I earnestly request that the aforesaid Government Order may kindly be revised.

Yours obediently

Copy of letter No H C 78/44-45 dated 12th July 1945 from the President Town Municipal Council Birur to the Deputy Commissioner Kadur District Chikmagalur

With reference to your memo No A3 C 2766/44-45 dated 15th June 1945, forwarding the copy of the Government Order No L 11778 Ml 88-44-90 dated 7th June 1945 from the Secretary to Government Law Department etc , regarding the disposal of Cinema site near the Bus Stand to Mr M V S Aradhya at Rs 0-4-0 per square yard etc I have the honour to state that the Municipality to their misfortune have lost a good bit of money by the above order Whatever the conditions in the town at the time of the Municipality passing a resolution to give the said site at Rs 0-4 0 per square yard to Mr Aradhya the same conditions will not exist at present When there is an offer for the same for a fabulous amount I consider it my duty to bring it to your notice that in view of the present slender finances of the Municipality the matter be once again viewed sympathetically and to request you kindly to write to Government for reconsidering the matter The following are amongst other grounds urged in favour of re-consideration

1 The present financial condition is not satisfactory and the previous budgets have been deficit ones

2 The Budget estimates for 45-46 were framed under the definite assumption that the sale of cinema site would fetch such a decent amount as Rs 10 000/- as there is an offer from a gentleman for such a value

3 With the installation of the Electric lights in the town the establishment of the Municipal High School and the increase in the dearness allowances of the staff both of the Municipality as also the High School the Financial commitments on the part of the Municipality have greatly increased.

4 The roads in the town are in a very bad condition, and require a lot of money to get them touched up and repaired.

5 Provision is made in the budget to take up a part of the drainage scheme which requires a couple of thousands

6 The water supply scheme is held up from a long time for want of funds

7 Some of the sites behind proposed cinema site have been recently sold in public auction which will work out at nearly Rs 1-4-0 and Rs 1-8-0 per square yard and which are le s prominently situated

8 Many sites have been sold in public auction which have brought thousands of rupees to the Municipality but no layouts have been formed marking roads conservancy lanes and drain etc This work has to be undertaken immediately in order that construction of buildings as per approved plan may come up with out any layouts in the town improvement will be greatly hampered

The Budget estimates for 45-46 were ubmitted a early as April 1945 and the Government seems to have passed over this item without having due regard to the same The whole budget is ure to get upset and the Municipality will be landed in financial difficulties of various character

Another point I would like to bring to your kind notice is that the Government have proposed that the Municipal Road behind the Bus Stand may be changed and made parallel to the Bangalore-Honnavar Road. It is not made clear who must bear the co t offorming this road and it must naturally be presumed that the Municipality will have to bear its cost which means nearly two to three thousands of rupees

Further I may also in this connection mention that when the Deputy Commissioner after seeing the resolution of the Municipal Council disposing the site in favour of Mr Aradhya at a nominal cost and after being convinced suggested that it would fetch a high value if sold by public auction the Municipality have acted deligently in cancelling the previous resolution and a sale notification was published locally as also in Matru Bhoomi in it issue dated 15th January 1945 which fact also has not been taken note of by Government Further on stay orders of proceedings in thi direction were received

In conclusion I must say that unless some sources of increasing and improving the finances of the Municipality are found out and with the increased commitments on the part of the Municipality it will be a hard job to run the Administration

For these reasons I would request you to addre s the Government

Government to reconsider the whole matter and in the light of the afore and circumstances and order the sale of the said site by Public Auction

Under instructions of my client Mr M V S Avadhya Burmah Shell BIRUR, I issue this notice to you

Please take notice that a suit will be filed against you in a competent civil court compelling you to execute the deed of conveyance conveying the site measuring 6723 square yards behind the bus stand at BIRUR as per the orders of the Government dated 7 6 45 and for other reliefs mentioned in this notice

You are aware that the Government in their order have brought to your notice that even after the deposit of the value of the said site by my client as fixed by you (you had asked my client to deposit Rs 1260 0 0 calculating at 3 annas per square yard as per the resolution of the general body meeting held on 30 1 45 which he did on 17 2 45) you did not complete the transaction by executing the sale deed in favour of my client which the Government has observed as the most unreasonable attitude of yours

You are also aware that the Government in their order has clearly stated that since my client is prepared to pay at 4 annas per square yard for the site it may be conveyed to him after recovering the value of the site at that rate

You are aware that inspite of the Government order your present president himself taking up the matter again for reasons best known to himself and brought the matter again your meeting held on 30 6 45 and even there the ~~council~~ Council by the majority resolved to give the site to my client as per the orders of the Government

You are aware that on 4 7 45 my client sent the balance of the amount of Rs 420-3-0 making the difference on anna per square yard as per the orders of the Government along with the application and a stamp paper to you to execute the sale deed in my clients favour as per the order of the Government

But instead of executing the document your president sent an endorsement dated 5 7 45 acknowledging the receipt of Rs 420 3-0 and asking my client to produce the plan and then necessary action will be taken

You are aware that my client again wrote to you on 8 7 45 that as he is asking for the issue of title deed of the site the value of which he has paid to you he only wants at present the conveyance deed to be executed by you and the plan will be submitted to you at the time he would apply for license for constructing the structure on it The plan is not necessary for the execution of the title deed by you

In spite of it your president again sent an endorsement dated 11 7 45 that the plan is absolutely necessary for executing the title deed to my client, since the site is in your possession you can have your plan in no time

For executing the sale deed the plans are not necessary The plan will be necessary only when he applies for the construction of the structure on the site First of all the site must pass from your hands to my clients hands My client must first become the owner of the site & be in possession of the same before he commences the structure on it Since my client has paid the value of the site as ordered by the Government his part of the work is over and it is your duty to execute the deed conveying the property to him & put him in possision After the execution of the deed the sale will be complete and then alone my client is owner of the site It is the elementary formality that only after becoming the owner of the site & be in possision of the same, that one can submit plans for issueing license to you as licencing authority for any construction on his land

You are aware you have recovered the Value of the Site from my client without executing the sale deed by putting it off on some untenable grounds thus disregarding the orders of the highest authority By your act my client has suffered a good deal and is entitle to damages from you for your wrongful act

So please take notice that if within two months from the receipt of this notice you do not execute the conveyance deed as per the orders of the Government refer to above and pay Rs 10/- as damages to my client my client will be compelled to file a suit against you for Specific performance compelling you to execute the document referred above and for recovery of Rs 100/-

P 70

as damages from you and you will be liable to pay the costs of the suit thus incurred by my client

Please send Rs 10 5 6 as being the fee for this notice

Yours faithfully

The Municipal Comm/ again resolved on 28-12-44 that on modification of the previous resolution the site may be disposed of in public auction and that the amount deposited by mr Avadhya be refunded to him The D C recommended this for Govt sanction on 26 2 45

The D C has again in his letter dt 15 7 45 stated that considering the financial position of the Municipality the Govt order (Ex N) may be revised

Birur,

my dear Mr Srinivasan,

In continuation of my personal interview with you in August last, in regard to the question of the Cinema site at Birur I would like to invite your kind attention to the facts and circumstances of the case and request you kindly to arrange for early disposal In this Connection, I may inform You that now is the opportune time for putting to open Sale, as there seems to be very keen competition and therefore likely that the site would fetch not

less than ten thousand rupees I, am afraid, that, if matters are allowed to be delayed, the economic condition of this people may not be what it is today and we may not be able to realise this decent amount

I therefore request you kindly to expedite some of orders for the resale of the site by public auction and thus to the financial aid of the municipality. Thanking you,

Yours sincerely,
